DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 32-36 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 32, lines 54-71, “a first labyrinth seal...unit”, all this language is conflicting.

First example “an outer ring member” of the first labyrinth seal is also an inner ring member of the second labyrinth seal.

Second example “an inner ring member” compared to “a base member”, since the inner ring member is the base member.

Third Example “an inner ring member” of the second labyrinth seal and “an outer ring member” of the first labyrinth seal compared to “a first fixed member”.

Final example “an outer ring member” of the second labyrinth seal compared to “a second fixed member”.

Allowable Subject Matter

3. Claim 32 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
4. Claims 33-36 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
